

Application

You are between 12 and 27 years old and want to see some change in Tübingen?

Here's your chance! Your ideas are in demand!

Would you like to take a stand against discrimination? For example, against racism, sexism, LGBTIQ hostility, ableism (discrimination due to disability), classism (discrimination due to poverty).

Do you have any wishes or ideas on how people in Tübingen can be supported?

Do you think something is missing in Tübingen?

Are there any topics that you find important and want to learn more about?

Then TAKT is the right place for you. Here you can design a project! Your wishes and ideas are important!

Perhaps you would like to work on a topic in a closed group. Or you can imagine sharing your experiences in Tübingen with other young people through art, rap, texts or pictures. You don't need any previous experience.

We support you!

- We will work with you to decide which project suits your ideas.
- We can help you find an association that can become your project partner.
- We can help you write the project proposal.
- We can help you design the project.

The great thing is that you get money for your project!

And what is a “project”?

Here are some ideas for projects: Workshops, concerts, poetry slams, meetings for young people, sports events, internet blogs, and much more.

A project is a one-off undertaking with a specific goal. In order to achieve the goal, actions must be planned and implemented. The project has a beginning and an end. It must be clearly differentiated from existing offers.

It can be just one day, last for a few hours or be a regular offer. You can invite other people and tell them something. But you can also invite other people (e.g. musicians, experts, role models...) and let them tell you something.

It is important that your project only starts after you have received a confirmation and is completed by 30.11.2025 at the latest.

How and by when can you apply?

Please submit the application by 25.05.25 at the latest:

Via E-Mail to: TAKT@adis-ev.de

Or via post to: adis e.V.
TAKT-Projekt
Bismarckstr. 136
72072 Tübingen

Applications received after 25.05.25 24h cannot be considered.

You will need an association to submit the application with you. Please make sure you find an association that will take on the sponsorship in good time. The application form must be completed and signed. Please read the "Important notes" before submitting your application.

A jury of young people decides which projects can be supported.

Who can I contact with my questions?
